

A Chapter of
**Dollars for
Scholars**

Nashoba
Regional
Scholarship
Foundation

*“Strengthening the world
one student at a time”*

History:

Founded in 1990 by caring teachers, parents, administrators, students and community members to assist graduating Nashoba students. It is a chapter of the national organization, *Dollars for Scholars* and is a non-profit, tax-exempt organization. Additionally, NRSF has been designated as the region’s steward for annual scholarships from area businesses and generous bequests by the members of the Nashoba community.

Mission:

The Nashoba Regional Scholarship Foundation is a community-based organization dedicated to helping Nashoba Regional High School graduates pursue higher education by providing financial assistance. The Foundation believes that there are many paths to success and therefore seeks to acknowledge a broad range of students with differing talents and achievements.

Recipients:

Beginning with the class of 1991, 209 scholarships totaling \$126,500 have been awarded to students on the basis of academic accomplishment, community service and leadership.

Last year 19 scholarships of \$750 each were presented to deserving students. One Presidential Freedom Scholarship of \$1000 (\$500 from NRSF combined with \$500 from the Corporation for National and Community Service) was funded.

Goals:

NRSF works to expand the scholarship program which funds current scholarships and to create a permanent scholarship fund to support future students.

The members of NRSF feel strongly that the best investment for the future is to rally around our youth and ensure that they reach their highest potentials.
