Welcome!

We are excited to announce online enrollment for the upcoming 2018-2019 school year!

This process replaces the paper forms that have been used in previous years. The enrollment for your new student is now available online.

How do I get started?

Visit <https://nrhs.nrsd.net> click Student Registration link

Should I create an account?

Yes, you will need to create an InfoSnap Account. This allows you to securely save your work and come back at a later time if necessary. You can use your email address or cell phone number.

Do I have to answer all the questions?

Questions marked with a red asterisk (*) are required.

What if I make a mistake?

If you would like to make a change, prior to submitting the form, you can either navigate back to the page using the "< Prev" and "Next >" buttons. Or if you are on the Review page, click on the underlined field. If you have already submitted the form, then you will need to contact your student's school, so they can make the changes for you.

I've completed the form, now what?

Once you have finished entering your information, click "Submit." This will send all of the information you've entered to the school. If you cannot click on this button, you will need to make sure that you have answered all REQUIRED questions.

What if I have more than one student in the district? Do I need to do this for each child?

Yes, because you'll need to provide information that is specific for each child. We recommend that you complete and submit one form and then start another – this will allow you to "snap" (or share) selected family information, which saves you time.

I'm not sure how to answer a question. I don't know what the question is asking.

You can email NRHregistration@nrsd.net or contact the High School at 978-779-0122 to ask any general questions about the form.

Help! I'm having technical difficulties.
